

**ADULT** *March*  
**OF THE LIVING AUSTRALIA 2010**

Dear Candidate,

Shalom and thank you for your interest in the Adult Program of International March of the Living.

We very much appreciate your inquiries and thrive on your participation. We place our candidates at the center of our work and are committed to designing a trip that responds to each group's needs.

We hope that the information provided here will stimulate your interest in our program.

The March of the Living is a unique program that honors, commemorates and explores the past, present, and future of the Jewish people. This year, we will be celebrating the 62nd Anniversary of Israel's Independence and the 22nd Anniversary of the International March of the Living. By participating in the March of the Living you will experience the two central events of modern Jewish history, the Holocaust and the rebirth of the state of Israel.

Please find below important dates and cost of the trip. Please note space is limited and we accept people on a first-come first-serve basis.

Attached is an application and a medical form for the trip.

---

**Program dates: April 9 - April 20, 20 10**
